- Leaves furniture looking less dusty
- Rich, ready to use cream
- No residual build-up
- Fresh lemon fragrance
- WERCS ID number: WPS1185724
- WERCS Validation number: WPS1185724

Applications

- Wood furniture
- Paneling
- Cabinetry

Technical Information

Flexishine™ CFP-50 is a ready-to-use cream that cleans and conditions wood surfaces with a streak free shine. The advanced technology behind Flexishine CFP-50 was developed to leave behind an invisible self-healing, non-tacky film that masks and repels fingerprints and smudges, while helping to conceal the appearance of fine surface scratches.

Flexishine CFP-50 can be used for furniture cleaning to quickly clean, condition and protect...all while leaving behind a fresh lemon scent.

Flexishine CFP-50 can be used on all sealed wood surfaces such as pine, maple, oak, walnut, teak and light veneers, as well as other sealed surfaces such as cabinets, paneling, baseboards, vinyl, marble, Formica® and leather.

Formulary

Using a clean dry towel or microfiber cloth, apply in a circular motion, buffing until the product is evenly distributed.

Use regularly for better surface protection.

Typical Properties

PROPERTY	VALUE
Appearance	Creamy thick emulsion
Color	White
Odor	Lemon
Water solubility	Emulsion
Viscosity @25°C (Brookfield), MPa·s/cps	11,000-13,000
pH (as is)	6.4-7.0
Density@25°C, g/ml	0.97±0.02
Flash point	None (aqueous)
Storage	Protect from freezing
Shelf life	12 months

Packaging and Handling

Flexishine CFP-50 is available in:
275 gallon totes (Net Wt. 2150 lbs)
55 gallon plastic drums (Net Wt. 430 lbs)
5 gallon pails (Net Wt. 40 lbs)

Refer to the Safety Data Sheet (SDS) for information on the safe use, handling, and disposal of this product.
